KANSAS CITY RACING DISPLAY.

The Kansas City meeting has closed for a few weeks on account of hot weather and the scarcity of horses. Those on hand were raced too much and there are less in western training this year than usual. The rest was well judged. Starter Mark J. Farley of the Kansas City Association returned from Milwaukee where he made arrangements to ship three car loads of horses to Kansas City. These owners will send horses, G. Robertson, M. L. Conway, David Waldo, P. Stanton & Co., G. G. Moshier, (George Smith and three others), E. H. McIntyre, (Arthur McAuley), Chas. Cogle, (Demirep and Highland Fling) and W. H. Roller. The track opens again Saturday, September 5, for a fall meeting of indefinite length. Bookmakers will be allowed to draw in at \$75 per day. Purses are to be \$700 per day. The attendance and betting at Kansas City this year has been excellent.

OGDEN AND ORNAMENT.

Saturday Ogden and Ornament are scheduled to meet in the Coney Island Flatbush Stakes at seven furlongs. The Flatbush Stakes generally foreshadows three-year-old form. Requit winning it in 1895 and running the distance in 1:26½. He then went on and marked out the mile in better than 1:40. All this with 115 pounds up, and it is safe to say that his performance will not be approached by next Saturday's victor. There was some talk of a special to bring Ogden and Ornament together, but this race should answer the purpose, as it would be a fair test of the merits of the rivals. The Friar, Burlesque, Challenger, Bastion, Salmak, Rotterdam, Savarin, Arbuckle and Don d'Oro are also engaged, but on form the race should be between Marcus Daly's Futurity winner and Ornament. All the best of the handicap division will probably be seen in the Omnium, at one mile and a furlong, to be run the same day.

CHICAGO, AUGUST 27, 1896.

CHICAGO'S NEW RACE TRACK.

The new Ideal Park race track opens Saturday with glorious prospects. Within ten days its racing will be of high class. Ideal Park is virtually a Chicago track. It has cost its projectors \$40,000. The equipment is far better than any of the Indiana courses, though hurriedly arranged. After the close of the season of 1896 the plant will be improved and the course and buildings beautified, as far as human labor can aid nature.

The Ideal Park season will be eighty days long, from August 29 to November 30, inclusive. The racing opens with an inaugural dash at five furlongs for three-year-olds and upward, and the principal event is the Ideal Park Handicap, 1 mile, for three-year-olds and upward, purse \$500, the entries for which close on Thursday, August 27th.

Five and six races will be given each day, no purse being less than \$300, and on Tuesday, Thursday and the following Saturday there will be a \$500 handicap. The aggregate amount to be given in purses for the seven days is \$13,300.

The officials of the new course are: John Condon, General Superintendent; Charles J. Miers, Business Manager; James Anglin, Treasurer; W. C. Creveling, Secretary; P. P. Pomeroy, Clerk of the Scales; M. Nathanson, Presiding Judge; W. B. Godfrey, Associate Judge; Richard Dwyer, Starter; John W. Kelsey, Paddock Judge.

Board of Stewards—C. H. Gunderman, M. Nathanson, Judge J. H. Stebbins, W. B. Godfrey, Theo. J. Meyers.

The track has 500 stalls. They will be filled with select stables so as to better the racing. The racing will be virtually local. Though at Ideal Park, Wis., forty-seven miles from Chicago—the Chicago, Milwaukee & St. Paul railroad will run five special trains to the track in fifty minutes. The ride through pretty country will be almost as much of an attraction as the racing. The special trip both ways from Chicago and admission to the grand stand will cost \$1. The railroad will handle all tickets and no complementaries will be issued.

Officials, horsemen and reporters from Chicago will pay their way. The trains will be equipped in the most modern fashion. Reduced commutation rate tickets will be issued for the regular trains, which will run to the track in seventy-five minutes. There are already plenty of horses in the stables to insure good racing next Saturday.

SOCIETY OUT AT MILWAUKEE.

MILWAUKEE, Wis., August 26.—To-day's Gentlemen's race brought out the society folks and swelled the crowd. It saw some handsome racing. Paros easily beat Mirage in the mile and a half, wearing him down in the last quarter. Oscura, who was nosed out by Harry Lee in the two-year-old event, was one of Baker & Gentry's good things. Scherrer rode in excellent form and landed three winners, one being a 20 to 1 shot. Interest in the meeting increases as it draws to a close.

THE STATE PARK SPECIAL.

The State Park Special carried a big crowd to and from Milwaukee yesterday in its usual high class way. The Special has a fixed place in the Northwestern train schedule. It has a clear right of way between the Wells Street depot and State Park at North Greenfield, Wis., and daily makes the trip inside of two hours. The noble train leaves Chicago at 11 a.m. and deposits its passengers at the track in advance of the first race train from Milwaukee. The train is the most magnificent and comfortable ever devised for race track service, consisting of parlor, dining and smoking cars. The fare from and to Chicago, including admission to the State Park Jockey Club grounds is \$3.00.
